RE: RFQ for Roster Update

The City of Kuna, Idaho hereby gives notice it is seeking proposals from qualified persons or firms for providing Engineering Consultant Services and Geologist to Design, draft plans, prepare contract documents, provide inspection and/or provide Contract Management Services for Water, Municipal Wells, Irrigation and Sewer Line Projects for the City. Successful respondents will be considered pre-qualified to provide these services for existing and future projects and included in a registry from which consultants will be selected. Proposals will be accepted until 4:00 pm MST, March 14th at the City of Kuna Wastewater Treatment Plant located at 6950 S Ten Mile Rd, Meridian, ID 83642. A copy of the official Request for Qualifications may be obtained by calling the Kuna City Engineer or Public Works Director at (208) 287-1728. Other questions concerning this notice may be directed to the same number. In an effort to save time and financial resources we will be scoring off content only. Our hope is to not cost you a large sum of money or time in responding to this RFQ.

Thank you,

Bob Bachman Public Works Director

Paul Stevens City Engineer
